"Outside Your Window: A First Book of Nature" by Nicola Davies and illustrated by Mark Hearld (Candlewick 2012) is a stunning work. The 110 page picture book progresses through the seasons, starting with spring. The poems are simple and straightforward for the most part. Which makes the author's occasional metaphors and similes light up her poems.

The Book of Nature is a religious and philosophical concept originating in the Latin Middle Ages which views nature as a book to be read for knowledge and understanding. There also was a book written by Conrad of Megenberg in the 14th century with the original German title of "Buch der Natur". Early theologians believed the Book of Nature was a source of God's revelation to mankind: when read alongside sacred scripture, the "book" of nature and the study of God's creations would lead to a knowle
