Problem solving skills, following a routine, and deep breathing are valuable techniques for the management of ADHD in children. In our digital story about ADHD, The Kangaroo Who Couldn't Sit Still, the character Kangaroo implements each of these techniques to manage their symptoms. The Children's ADHD Skill Packet was created to accompany The Kangaroo Who Couldn't Sit Still. After reading the story, use this packet to teach children and their caregivers how to practice the same skills ...

Eric's thoughts on homework: Homework between therapy sessions is like the peanut butter and jelly between the two slices of bread. If you're really hungry, the two slices of bread will do, but it's going to be a whole lot more satisfying if you have something to put between those two slices of bread.
