According to historians, an alien race had fled a doomed planet millennia ago and settled on Kalquor. Theories abounded that some of the Kalquorian ancestors had also settled Earth. For believers, too many similarities between the two races existed for mere coincidence. Such ideas were taboo on Earth.

For once, Frank's pomposity was nowhere to be found. He looked terrified. "Most of our women who were abducted and taken to Kalquor contacted Earth and said it's what they want.

However, two of the women changed their minds. When they told the clans they'd joined they wanted out, the clans refused to let them leave.

Your own clanmate Flencik has told the emperors and the council's medical funding committee that there is no hope of restoring our females' fertility. If the Earther woman is compatible, Kalquor must have her and others like her. I'm already sending out other clans to collect the ones we can get as soon as Flencik confirms compatibility."
