An Army at Dawn is history with a soldier's face." ?General Gordon R. Sullivan, U.S.A. (ret.), former Army chief of staff “For sheer drama, the Tunisian campaign far overshadowed any other phase of the Second World War. Rick Atkinson has told the story with zest and brutal realism. His account will be a monument among accounts of World War II.”

In An Army at Dawn., a comprehensive look at the 1942-1943 Allied invasion of North Africa, author Rick Atkinson posits that the campaign was, along with the battles of Stalingrad and Midway, where the "Axis ... forever lost the initiative" and the "fable of 3rd Reich invincibility was dissolved." Additionally, it forestalled a premature and potentially disastrous cross-channel invasion of France and served as a grueling "testing ground" for an as-yet inexperienced American army.

I'd like to add a more specific follow-up request. I have read Atkinson's An Army at Dawn (and it's sequels) and while they are well written and I particularly love the maps, I was a bit disappointed at the focus on high level strategy and operations. I would like to find one or more personal accounts of enlisted soldiers who fought in the campaign, told from their viewpoint, not focusing on ...
