Research articles published prior to January 20, 2017, are archived on this page for historical interest only. Their conclusions and recommendations may not reflect the official position of the U.S. Department of Health & Human Services today, especially with respect to the consequences of Obamacare.

~~Historical Research | ASPE~~

Faculty in the Department of History conduct research in politics, culture, and social relations. In their research, they ask questions about war and identity, and about politicians and poets. They also consider the history of individual nations and social groups while following the movements of people and ideas across literal and metaphorical boundaries.
