Former Celebrity Apprentice star Vivica A. Fox waited six years to suggest a compliment from Ivanka Trump that she spoke well on the show had racist undertones. It's hard to take this bid to smear ...

Vivica A. Fox's sorry accusation of a 'racial insult' is a naked and belated attempt to cancel Ivanka Trump
Research into fox scents suggests a complex form of 'chemical communication' underlies the animal's behaviour. The findings could help improve pest control methods and protect native wildlife.

Fox scents are so potent they can force a building evacuation. Understanding them may save our wildlife
Foxes, like other animals, use scent to communicate and survive. They urinate to leave their mark, depositing a complex mix of chemicals to send messages to other foxes. Research by myself and ...

Understanding stinky fox urine could save Australian wildlife
