Mastering Audio : The Art and the Science by Bob Katz ...

After reading (no, devouring) Mastering Audio I had mostly

Page 24/34

Download

Ebook

good feelings and it is difficult for me to describe why it wasn't great. Bob Katz is absolutely spot on about the state of mastering in the past decade and that over compressing audio has ruined music. It is without a doubt required reading on the subject.

Audio: The Art and ...

The author knows his stuff. This is very clear.

It is my opinion

however, that the writer comes of as quite a bit of an audio snob. Also, he spends a significant amount of time

discussing very high end and expensive mastering equipment. I think this book is more geared for audio professionals and
