~~US National Parks Travel Guide~~

This 296-page book - the 4th edition of April 2016 - is an interesting and readable guide to this pair of the United States' spectacular National Parks, mostly to be found in the state of Wyoming, but spreading into Montana and Idaho. This is a well-designed and presented guide, with useful maps. This is not a glossy guide with lots of colour pictures, but it is a well-designed and laid out guide, with colour used only sparingly.
