Encyclopedia of the Bible:

Drane . . .

Historical facts can be
proved in books like

"Ancient Near Eastern Texts
Relating To The Old

Testament" and its companion

"The Ancient Near East in

Online Library Nelsons
Illustrated Encyclopedia Of
Pictures" by Pritchard which
shows pictures of artifacts
discovered in that part of
the world. Again, overall it
is fairly good book and
makes a good addition to
your Biblical studies
library.
