### Numenera 2: Discovery and Destiny by Monte Cook Games ...

Thursday at Gen Con we announced the forthcoming Numenera 2 set of core rulebooks: Numenera Discovery and Numenera Destiny. Numenera is a game in which the player characters explore the ruins of aeons past to gather amazing treasures and help build a new future for a world struggling in darkness. Since the launch of Numenera in 2013, we have delivered well on the first part, but we've always wanted to explore that second part more than we have.

### Introducing Numenera 2: Discovery and Destiny - Monte Cook ...

You get the corebook set (Numenera Discovery, Numenera Destiny, and the beautiful slipcase, plus all unlocked upgrades to the corebooks and slipcase) in print, and in PDF, when it comes out. You also get a copy of the Numenera Starter Set, with rules, characters, adventures, dice, and everything needed to play, plus a \$5 credit for any purchase at the MCG Shop, which you can apply to additional adventures, a corebook, or other Numenera title.

### Discovery and Destiny Slipcase - Numenera 2 - Noble Knight ...

Discovery-through exploration of the weird and wondrous remnants of the prior worlds-is the core of Numenera play, and Numenera Destiny gives you new things to do with your discoveries, and entirely new and epic ways to structure your game.

### Numenera Discovery and Destiny - Monte Cook Games Store

Destiny on the other hand, that's a big one. It introduces three new Types (Arkus, Delve, Wright), two of which more or less are improvements on Glint and Seeker. Additionally, it brings in a bunch of Foci that are fully new, as well as a fully fleshed out crafting system and settlement building system.

### Discovery/Destiny? : numenera

The Numenera roleplaying game's setting, the Ninth World, is locked in an age of struggle. The people of this world live in a medieval-like state-but one illuminated by the "magic" of the prior worlds. Those who seek out and master the numenera may find wealth and power.

### Destiny - Numenera

Numenera 2 has two corebooks. Discovery, and Destiny. Numenera 2 works now in the Cypher System. The main change it brings to Numenera is related to armour. The costs in might and speed associated with wearing armour is replaced with an increase to how much Speed needs to be spent to use Speed Effort when wearing armour.

Numenera Discovery will be a book that covers familiar territory; it is basically a revision of the original Numenera corebook. Next summer, we will allow the original corebook to go out of print, and Numenera Discovery will take its place. In Numenera Discovery, you'll get some revisions to make things clearer and more fun, and to increase the options available to players.

### Numenera 2: Discovery and Destiny - Kickstarter - Reaper ...

What Destiny provides is a reason to go out and make discoveries, which is to bring them back to your home town and use them to improve the place. The narrative loop that Destiny sets up goes something like this. First, the PCs' settlement is facing Problem X, which can be solved with numenera MacGuffin #1.
