Unit 6 the Role of the Health and Social Care Worker. A working relationship is different from a personal relationship in many ways. In a working relationship, although you may gain a friendship, you must always remain professional, and, in a health and social care setting, put the needs of the service users first.

ABOUT - Unit Six. Unit 6 is a design laboratory at the Bartlett School of Architecture run by Paolo Zaide and Farlie Reynolds. The Unit investigates the role of architectural design in the 21st century Metropolis through the lens of socio-economic, environmental and technological change. With our cities facing unprecedented uncertainties and transformations, it explores how communities can deal with the radical change in our urban environments.
